1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Dominion Energy. They purchased SCE&G in 2019 and we were supposed to benefit from the failed nuclear plant because we have been funding the project for many years. Also, we were guaranteed a refund and no additional rate increases. So much for promises.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I want to see Dominion stand by its promise. We are not seeing our rates decrease. We have been paying for this failed project as long as I've lived here.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

I wish I could make an appearance at the hearing but will be volunteering at the Credit One Charleston Open on April 7 on Daniel Island.
